Re: Claim No. 15650

United States District,

I am petitioning the Court for an allowance of my late claim for LCD Indirect Class Action TFT-CD Antitrust Litigation (Flat Panel) claim.

I am a senior citizen and a widow. I was not aware of this litigation or that the monitors and TVs that I had purchased were a part of any litigation until a neighbor had mentioned it. I am asking the court to consider my petition to be included in the settlement. If I had been aware of this litigation I would have filled in a timely manner.

Thank you for your consideration in advance.

Any claimants who filed claims that were received after the postmark of June 6, 2014, may petition the Court for an allowance of their late claim. This petition must be filed with the Court and include your name, address, the case name and number (*In re TFT-LCD (Flat Panel) Antitrust Litigation*, MDL No. 1827) and an explanation of your reason why the court should accept your late claim. The petition should be received no later than October 6, 2014 and mailed to both addresses below:
